

## 2017 Sponsorship Form

The 10th Annual Stearns County Breakfast on the Farm will take place on Saturday, June 3rd, from 7:30 a.m. – 12:30 p.m. at Kuechle Dairy near Kimball, Minn. Breakfast is being catered; local students, farmers, and agricultural professionals will be facilitating tours and educational activities for all attendees. The main purpose of the event is to promote agricultural awareness and spread the positive message about the farm families that provide safe, affordable and wholesome food to consumers. This event connects consumers with the families and farms that produce their food.

The 9th Annual Stearns County Breakfast on the Farm, held in June of 2016, was a huge success. Over 2,500 people attended the event at Janski Dairy near South Haven, Minn. The majority of the people who attended were non-farm families who were able to witness firsthand the contributions that central Minnesota agriculture makes to society. The overwhelming support of sponsors made the event possible. We hope that you see the significance of such an important countywide, agricultural education event.

As with any event of this size and magnitude, sponsorship is necessary. There are three levels of sponsorship as outlined below. Financial contributions will be used to pay for advertising, transportation, and facility related costs.

### **Platinum Sponsor – \$1,000+**

Advertising in the fliers and press releases  
Logo on signage at the farm the day of the event  
Logo in the event brochure  
Logo displayed on website

### **Gold Sponsor – \$500 - 999**

Advertising in the fliers and press releases  
Signage at the farm the day of the event  
Recognition in the event brochure  
Recognition on website
